

## AlwaysAssist mobile app

### Dental and vision benefits management at your fingertips.

With the AlwaysAssist app, we've made it simple for you and your family to have 24/7 access to your dental and vision benefits on your mobile device.

#### Features include:

■ **Up-to-date dental and vision ID cards**

A convenient alternative to your paper card that's easy to share with family members and providers.

■ **In-network provider search function**

Access a map-view of providers near you. Then, call and schedule an appointment with your provider directly from your search results.

■ **Benefits, plan and claims information**

Manage and review your benefits and plan information from one location.
